

# GV13 ROLLER GURL:

## *A Complicated "Game-Time" Love Affair*

### SYNOPSIS

Set inside the secular underground world of today's Women's Roller Derby, multi award-winning filmmaker Bob Bryan probes the gritty reality behind over three (3) dozen Derby women who have chosen to adopt super-hero and in some cases anti-hero personas and attitudes to play this exciting, hard-hitting and incredibly difficult and fast-paced action sport.

**"Insightful and revealing,"** **GV13** is a honest straight-up, no-frills, stripped-down documentary film about contemporary women who ignore societies naive programmed gender stereotypes about women's lack of aggressiveness, physicality and strategic skill-sets.

Relentless Derby Action while intuitively embedded with an accessible, perceptive and incredibly thoughtful interview narrative. **GV13** is hugely intense, entertaining and thought provoking original production!

R E V I E W S

**GV13: Roller Gurl** is very well done, good pacing, and an accurate depiction of one of the lesser known sports. Filmmaker Bob Bryan did an excellent job using natural sound and numerous sources to tell the story. Obviously a lot of work was put into this documentary that's a must-see for anyone involved in Roller Derby, but would also be entertaining to the non-sports fan.

I think that the documentary: "**Roller Gurl**" gives a good insight into Roller Derby. The audience gets a perspective of the sport right from the skaters themselves. The mash-up of interviews from banked track and flat track players suggests that there are different styles of derby. Enjoyable and Fun!

*Beautiful!!!! One can feel the thrill and the passion come through!*

*The first thing which "strikes" one (pun intended) is that Roller Derby is not for the faint hearted.....also proved by the interestingly bizarre pseudonyms of these warrior girls! They definitely seem to be having the time of their lives. The sheer passion of the lil' babes (Long Beach Roller Derby Junior League), as well as, the transformation of young women from sedate job personnel, to the night time rabid go-getters has to be seen, to be believed.*

*The therapeutic nature of the game is well documented through casual chit chats and the intensity of the game has the audience enthralled, holding their breath. Filmmaker Bob Bryan brings us a true tale of a genuine game of skill, sexy outfits and athletic competition. The music is complimentary to the pace and the camera work is superb. This film will sure push you to catch a live Roller Derby bout!*

**GV13 ROLLER GURL: A complicated "Game-Time" Love Affair** is probably not what people (non-derby) will expect, in a derby documentary. It is, however, at least from my experience, an excellent and dynamic portrayal of the girls behind the derby names. "**Game-Time**" captures the soul of derby!

As the girls from Angel City Derby Girls and Long Beach Roller Derby explain their derby names and their motivation for joining the sport, I think that non-derby people (NDP) will start to understand what derby really means to the girls that play. For derby people (DP) I think that it shows the heart behind the successful leagues that have thrived under the care of some very dedicated women.

**A Complicated "Game-Time" Love Affair** is aptly named, because the women of derby really do have a complex relationship with this punishing, but rewarding sport. I think "**GV13**" beautifully portrays the inexplicable derby desire to strap on some skates. Indeed, as Chica-Go-Lightning (of ACDG League) explains "sometimes you just gotta run into each other to make a connection."

*Filmmaker Bob Bryan gives an in depth look at a sport and unique culture often marginalized by the mainstream media. **GV13** allows the players and fans to speak for themselves, and the result is an honest, raw, and passionate look at dedicated athletes doing what they love!*
