TIME CAPSULE (circa 1995)

GV27: GRAFFITI VERITE' REDUX celebrates and commemorates the 20th Anniversary of the worldwide indie release of GRAFFITI VERITE': READ THE WRITING ON THE WALL. With Original never-seen-before interviews, footage and Artwork **GV27** reconnects with the creative energy and zeitgeist of that fertile period in Los Angeles' Urban Art History, when Graffiti was everywhere!

20 years ago (1995) the documentary GRAFFITI VERITE': READ THE WRITING ON THE WALL was released. It was produced and directed by filmmaker Bob Bryan. The objective was to document the diverse & complex Graffiti Art movement on the West Coast, Los

Angeles, California. We exceeded our expectations!

GRAFFITI VERITE' became a Multi Award-Winning *cultural tour d' force*. A definitive statement that spoke of Graffiti as a legitimate Artistic expression had now arrived on the Art Scene and could no longer be ignored, berated or relegated to the fringes of polite Art society.

“Graffiti Verite’s Bob Bryan continues to prove that beauty is in the eye-of-the-beholder. Graffiti Verite’, the incisive documentary on the lives of Los Angeles Graffiti Artists, blew up like no other Graff video to date, leaving behind an unprecedented trail of award recognition, media exposure and education about the Art Form.

Bob Bryan, director, producer and director of photography on the film, accomplished what no other videographer had yet been able to do: create a graffiti documentary with mainstream crossover appeal.”
