GV30 WEAPONIZE REALITY: SHANG BEAST-MODE COMEDY

Directed by Filmmaker Bob Bryan

"Those who know KNOWS."

Los Angeles, CA. (BWP Press) - Stand-up Comedian, Activist, Artist **SHANG**, is one of those raw, unapologetic, brilliant talents who prowl the Late Night TV talk shows, HBO Special landscapes, Sit-Comedy Sound Stages and Comedy Clubs across the Nation and beyond; sharing with his audiences his own personal brand of Beast-Mode Comedy! He knows he's funny!

So you ponder what exactly is "**Beast-Mode Comedy**"? For that explanation I would refer you to how **SHANG** describes the sardonic biting humor of his DAD: "**The Base Brutality of Truthfulness.**"

In my opinion, (as the filmmaker) that is EXACTLY how **SHANG** rolls. He is not willing or psychologically wired for BS. **SHANG** just tells it as he "*sees*" it, warts and all. Oftentimes his audience experiences the exquisite embarrassing pain of laughing so hard that they are reduced to peeing in their draws out of sheer uncontrollable exhilaration. BEWARE! Yes that's the effect **SHANG** has on you!

The quixotic mind of this stand-up comic is so full of personal ambiguities and full-frontal, in your face, observational mesmerizing truth that you are immediately drawn

to his mercurial genius flame.

In **GV30 WEAPONIZE REALITY** filmmaker Bob Bryan asks **SHANG** how his historical personal reality shapes his comedy. His answer: *“I’ve had allot of bad shit happen to me and my family. My comedy reflects those experiences. Paradoxically, I think I’m a better comic because of it.”*

At times, as an audience member, you may feel under attack, experiencing the stinging penetration of his humorous rhetorical arrows. But you cannot deny his unparalleled insights into the sometimes dark, raw, naked, funny, stupid human condition. This is precisely where **SHANG** shines most brightly. He unravels and exposes the hypocritical underbelly of our multi-layered and oftentimes facetious PC culture.

Oh yeah and HECKLERS BEWARE... **SHANG** does not play; “I will set you on fire, then pee on you, put the fire out and then set you on fire AGAIN!”

“Beast-Mode Comedy” holds nothing back and no subject matter is too sacred to explore. We’re talking *Abortions, Sex, Politics, Personal Pain, Ugly Children, Stupid Audiences, Stereotypes, Sacred Cows of Comedy, Kings and Queens of Comedy, Exploitative Agents, the Therapeutic and Healing effects of Comedy, Thug Comedy, Writing, Women’s Rights, enjoying people who hurt themselves, Racism, Drugs, Homosexuality, Politics, Reality & Consciousness, the Nature of Comedy,* etc etc etc.

Keep in mind that **SHANG** really does wants to entertain you. But at the end of the day, it’s more important that he unsheathes his comedic blade, thrusts it deep into your soft belly vulnerable, naive assumptions about “Reality” and make you laugh, think, transform and be moved to action. **SHANG** is a Beast as well as a comedic stimulant that once taken, you will never wish to exist without it!

Filmmaker Bob Bryan probes, confronts and allows **SHANG** to be as Raw as he wants to be. It’s a thrilling ride from top to bottom!

GV30 WEAPONIZE REALITY: SHANG BEAST-MODE COMEDY is 72 minutes of funny, funny and more funny. Enjoy the ride!!! Multi Award-Winning Indie Filmmaker Bob Bryan.

GV30 WEAPONIZE REALITY!
