LONELY BROTHER

A New Poetic Short Film *by* Multi Award-Winning
Filmmaker Bob Bryan

Los Angeles, CA--Bryan World Press. **LONELY BROTHA: THE MOVIE** represents many tragic intimate issues to people of all races, sex, affiliations, backgrounds, nationality and pathologies. Do we dare care to understand the moment-to-moment struggles of the chronically mentally depressed and confused?

Empathy exists in many different realities. Inspiring *"the fallen"* to connect with their creative voice is potentially a positive therapeutic and healing life-strategy for them.

LONELY BROTHA is a snapshot about a man swallowed up within a cycle of an inexplicable and inescapable emotional / psychological dystopian psychic nightmare. He feels like there is NO EXIT and NO HOPE. The idea of Relief is a myth which rarely crosses his obsessive compulsive mind-set.

Existing just beyond the blurred peripheral of his fragile cognition are few motivating options available for him to escape this oppressively omnipotent suffocating reality. He is always alone with this insidious pulsating pain that is slowly driving him crazy.

The dark sinister whispers from another dimension. The relentlessly loud cacophony of voices reverberating in his head never seems to go away! NEVER!! *"Oh gawd save me, please please get outta my head, get outta my head..."* While Darkness is an overwhelmingly powerful illusion... we know that it is NOT the only way out! ---Filmmaker Bob Bryan
