"A must see video to understand what is happening to the inner world of today's urban children!" - Wisconsin Bookwatch

"This well produced examination of the underground artform, will add a new dimension to Art Classes and to Library video collections. We recommend it use in high schools and college art classes." - School Library Journal

"Appropriate and useful classroom material"
- The Committee for the Los Angeles County Office of Education

"Required viewing for all citizens of big cities that don't understand the significance and impact of graffiti" - Rap Pages Magazine

"Keeping the culture alive!" - The Source
