“I just looked and really liked the richness and opulence the clip conveys! They sure celebrate

things differently there. Is this a new series or a singular documentary? I love those masks! Beautiful contrasts with the dancing and lady walking in a green field! You have the gift of creativity and motivation that lots of people don’t have. I can’t wait to see the whole documentary.

If you need people to write reviews, I would be glad to!”

Insanity Jane

“Bob, thank you. I cannot wait for the movie. The music instantly grabbed my attention, but the juxtaposition of the subjects riveted me. Very creative. Is it premiering in LA too? PEACE!”
