

CHAPTER THIRTEEN

Pages: 130 - 138

When you say 'props', what do you mean ?

Toony "We're constantly discounted. I've heard rap artists say that Graffiti has nothing to do with hip-hop. I couldn't believe it! They go hand-in-hand."

Is insane the new normal?

Werr "Yeah. It's a way of life, we breathe, drink it everyday, so it's in us, we're part of it. So we're crazy!"

Is Graf Art political?

Man One "First, it was fun. Spraycan is fun. Art. Political. To say something about what's going on. Some writers just stay on fun and don't care if its political or not. I respect that too. Fun and Art and political."
