## FILM REVIEWS of GV36 WE ARE NOT AWAKE!

A Film Short *by*  
Author & Multi Award-Winning Filmmaker Bob Bryan

**Traci Konas:** “That was very good!!! You can look at that politically or theologically. **‘A good message!’** It definitely hit me politically - being a puppet. As we are under this capitalistic democracy. Also, I see it ideologically. As life in a dream. Yes! It sometimes feels like a dream that’s for damned sure. Watching it politically, it’s powerful!

Manipulation of one Party or the Other, from our Government as a whole. I always investigate what I hear.”

**David E. Brown:** “**ABSOLUTELY BADDASS!!**”

**Michael “Midas” Deet:** “That was DEEP!”

**Ana Barrera:** “Loved the tone of the voice throughout the dialogue. The words are also a good metaphor for the mind altering effect of being manipulated and with these elections and candidates it makes complete sense that people are not woke!!

As someone that considers themselves Revolutionary in thought and able to see the bullshit. I know that people are done with the ‘status-quo’ seeing local elections shift the system and the paradigm.”

**Norma Dolan:** “I liked it... I always get your drift, every rift... **Are any of us Awake??** Keep it real. Roll on, Roll Strong.”

**Paul Cruz:** “Haha! .. I like it! .. (That’s the good) ..Here’s the bad ..I live it .. Good work!”

**Julene T. Weaver:** “Thank you for sharing your work, *‘waifs of smoke...’* Love this image. Peace.”

**Sandra Rachnik:** “Absolutely perfect, my dear friend! Masterpiece!”

**Ellyn Maybe:** “Yeah, it was powerful!”

**Steve Scallion:** “Very interesting. I’ve been smoking a lot of salvia and this seems to be part of the theme... whatever that means...”

**Richard Fox:** “Very good. A little melodramatic, but I like the theme.

Thanks for sharing it with me! Wishing you much success with this. Definitely gets you thinking... if this is a dream state what’s to say the afterlife isn’t as well?”

**Waltters Siddique:** “Good Job Sweet’s”

**Tracy Caldwell:** “There was an aspect of surrealism in how the words come at you. It gets your attention. It makes one’ question Reality and what being ‘woke’ really is. It makes Amerikkka question her entitlement. I attended Art College.”

**Sophia Louisa:** “Very artistic. Very profound. I like it. Yep. Once people are awake they won’t be able to go back to sleep. It’ll be getting to the point of knowing love to get through the fire. All will be well.

Thank you for sharing. You did a great job with your videos. Keep on keeping on in the creative flow!”

**Franky Cothiere:** “Spooky!!”

**Mary Ann Knox:** “There are a few Like Me that were Born Awake... Good Luck! May God Bless you!”

**Shauna Thedead Fabio:** “I am so sorry I have taken so long to see this. Bob, you really are amazing!

With my ears, I don’t understand what you are saying, but in my soul, I know every word. I’ve not had many experiences like this before, as there aren’t many to be had. ‘*Cloud Atlas*’ is one of those experiences for me. Above, I included two clips that speak to my soul the most. Honestly, the entire movie does, but your clip above reminded me most of these two.”

**Lo’key Tha Yg:** “Good stuff brutha!!!”

**Jacklyn Snookie Williams:** “Very Deep...”

**Claudine Lee:** “Good morning! I just had chance to see the video, ‘**WE ARE NOT AWAKE!**’ I love it! Your videos are very deep... that’s our new life.”

**Annmarie Adams:** “Wow... things I think I am 100% aware of are now lost!! What an amazing view of what ‘is’ and ‘may not be’! I felt as if I was in the film and not watching it. I also just subscribed to your YouTube Channel not sure why I hadn’t done it’s before!”

**Patty Goode:** “That was cool! Love the end where it shows all your accomplishments! Way to go! Awesome! Congratulations!”

**Edward Mompeller:** “Ok, I’ve watched the film. I am interested in the topic. It was, in my mind, a Power Point presentation with words. Interestingly, you had no interviews or pictures like in your Documentary, *Graffiti Verite’: Read the Writing on the Wall* - but I watched it anyway. It was cool! I’m going to share it with King Cre8, as we are long time fans of your works. Keep me posted, let me know what you keep producing.”

**Nazo Zadoyan:** “Really nice my brother ‘all praises’ due. I really admire all the years of work you’ve been putting in. I hope that all is well with you and hope you had a blessed Thanksgiving, my brother.”

**Queen Enemmou:** “‘**WE ARE NOT AWAKE!**’ speaks more about ignorance. Which means not being on the ‘right track’ or not doing the supposed thing that we should be doing in Life. So, tell me what you mean by that?”

**Lisa Ferrin:** “Deep. Impressed!”

**Jimmy Hamilton:** “Awesome!”
