"Hip-Hop is a dialogue, an expression, a communication medium...It's a multi-intelligence model where people with various skill sets are able to come to Hip-Hop and express themselves. It's not like any other art-form you've ever seen before."

--Filmmaker Bob Bryan

These magicians convert raw sound or noize into music.

It's not just telling a story about spinning, it's about people.

"GV9 focuses on the truly Talented and not the popular negative themes oftentimes found abundantly in the culture."

--DJ Proper
Music Producer

"This insightful documentary provides a candid view of what a DJ does and the madness behind the Genius."
