"Graffiti Violation"

"Graffiti is a form of art that people use to express themselves and to convey various messages to people in a particular community. In the movie, GRAFFITI VERITE': Read the Writing on the Wall, one of the graffiti artist explained that his purpose in doing graffiti is that it allows him to "express his anger' on the wall. Another kid by the name of "Jipsie" said that graffiti is a "form of growth..." (continued on pg 124)
